MOTION 12: THAT NARCOTICS ANONYMOUS WORLD SERVICES ADD THE FOLLOWING “WHAT IS NA SERVICE” CARD AS APART OF THE GROUP READINGS OFFERED BY THE WORLD SERVICE OFFICE.

What is NA Service?

This is a very important integrant of our recovery, this is how our gratitude speaks, yet this is a way to carry the message of recovery to those addicts who still suffer. We usually begin of service in NA making coffee/tea or cleaning our rooms after meetings. As we get some experience serving at the group level, many of us try ourselves out at a different point of service structure, for instance, -area or region.

Being of service in NA is for any of us. True service can be expressed by simple words quoted from the Basic Text: (True service is “doing the right things for the right reasons”).

Being of service at a group level helps to strengthen the very foundation of our recovery because it could probably be the first time when we something for others without seeking to profit, expecting nothing in return. Serving at a group is another motive that helps us to attend meetings regularly. And our experience tells us that those who keep coming back regularly stay clean.

Being of service in NA is our gratitude to the Fellowship of Narcotics Anonymous for a new clean life. Many of us always wanted to be “a part of something”. Service in NA indeed gives us a chance to become a part of a fellowship that saves our lives and helps addicts all over the world to stay clean and follow the way of recovery.

## **CAT**

**CAT PROPOSAL 1:** TO APPROVE UP TO \$200,000 TO BE SPENT ON THE FOLLOWING PROJECT PLANS:

- Develop new recovery literature and/or revise existing literature to meet fellowship needs.

- Develop concise, accessible, relevant and adaptable tools that address basic concepts and that inspire members in their service efforts.
- Raise awareness of the value, impact, and spiritual necessity of collaboration, demonstrating the relevance of the NA Vision for Service to each body within the service system.
- Continue work to make the WSC a more effective resource to help achieve the Vision for NA Services.
- Increase understanding that effective fellowship development efforts depend upon public relations work, emphasizing the need for collaboration among service bodies.
- Raise awareness and understanding of Narcotics Anonymous among the general public and potential members through use of social media.

NOTES: This is the first year WB has placed all the project plans in one lump with one lump allocation of funds. We cannot split the funds and approve one project plan over another. However, please make your comments known. We have no way to know how this will play out at the WSC so let the team know your thoughts.
