

WELCOME!!!

Please join us in the peaceful Berkshire mountains for a weekend of serenity at the 26th annual Serenity in the Berkshires Campout. There will be food, fun, fellowship, and activities for the whole family. We will also share a message of recovery.

The message of hope and freedom is that an addict, any addict, can stop using drugs, lose the desire to use, and find a new way to live. The lie is dead. We do recover.

As always, remember that our actions reflect on NA as a whole. Parents and guardians are responsible for the safety and behavior of their children. All children 16 and under must be supervised by an adult. Pray for sunshine but be prepared for rain.
